

How to Create an Account

GlowStone Lighting Plus App

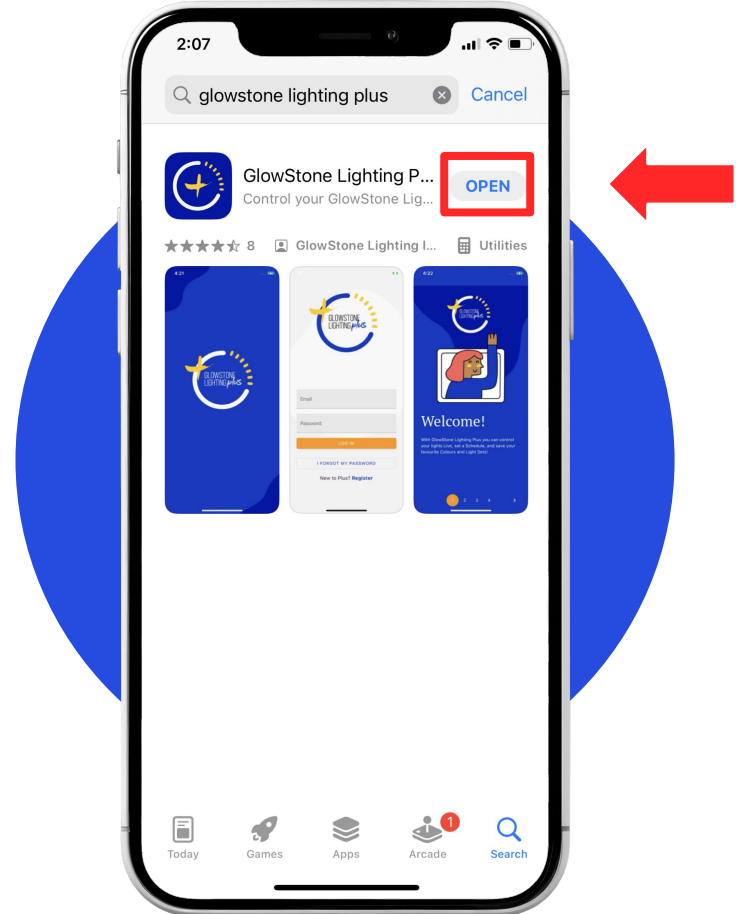

#1

Go to the App Store or Google Play and search for and download “Glowstone Lighting Plus”.

#2

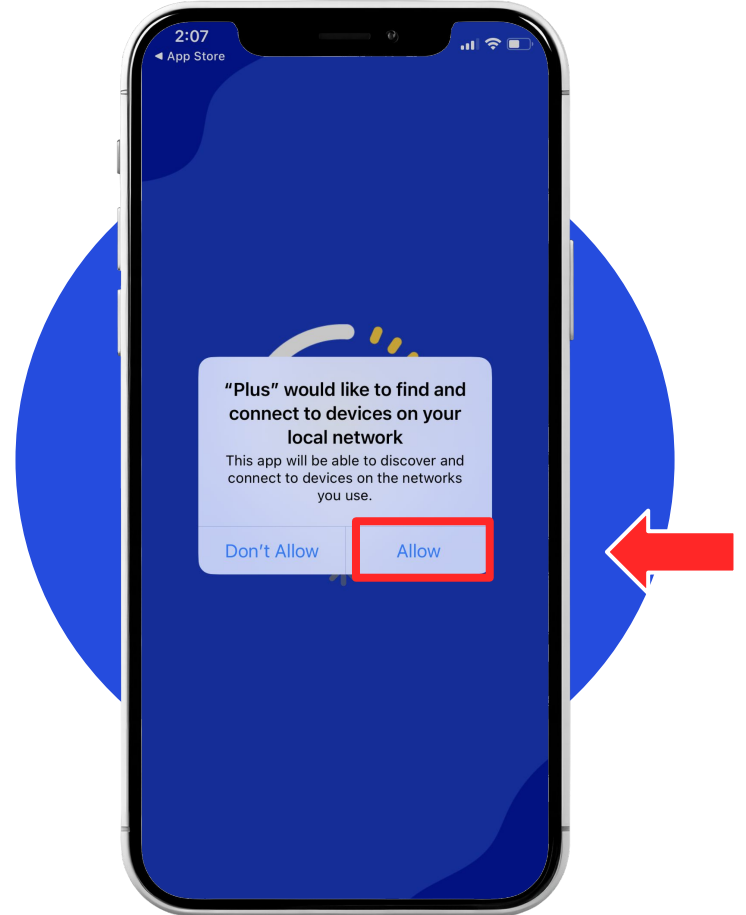

Open the App once it has finished downloading.

#3

Once you open the app it should bring up a message asking permission to connect.

Click "Allow" to be able to connect to your GlowStone Lighting System.

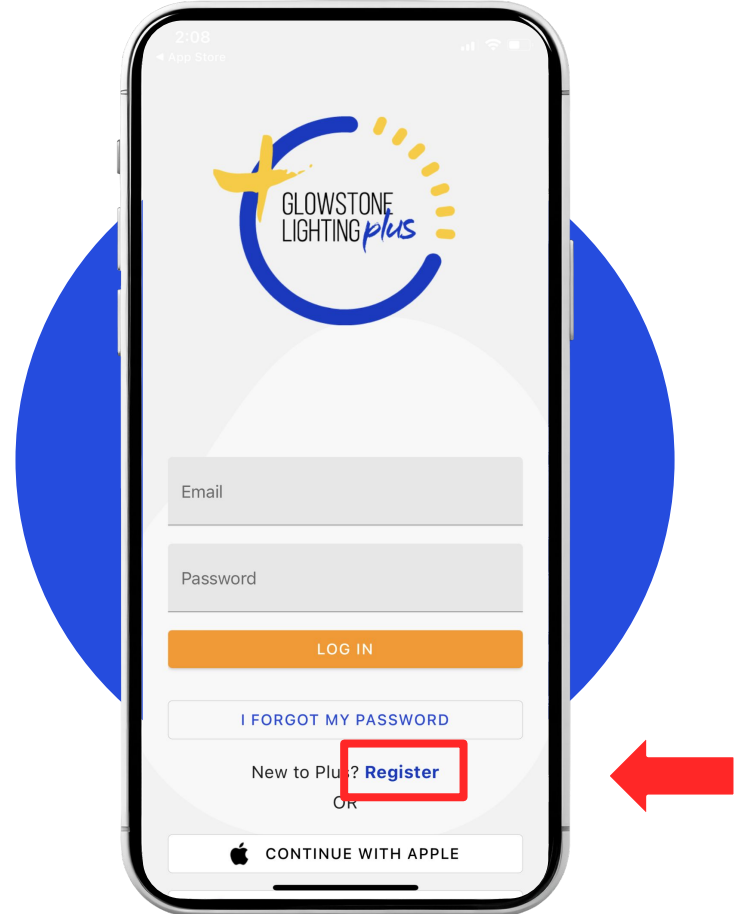

#4

The app will now bring up this page.

If you using the app for the first time or don't have an account, you'll have to create one by clicking "Register".

If you already have an account, you can just log in.

#5

To register simply enter your Name, Email Address, and Password, then click "REGISTER".

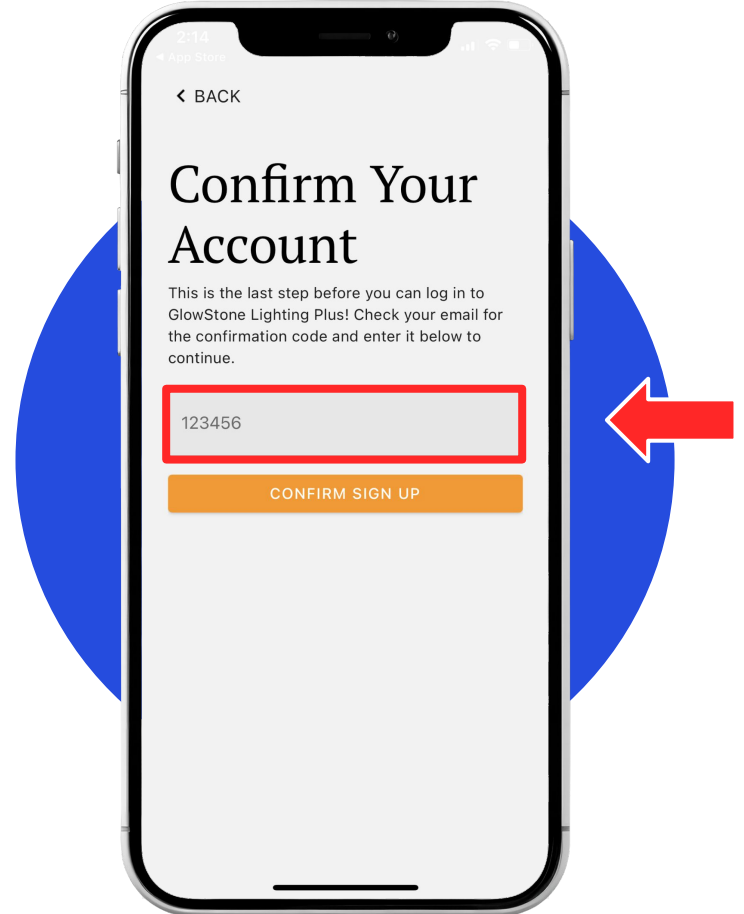

A smartphone screen displaying a registration form. The form is titled "Register Now to Get the Most From Your Lights!" with a lightbulb icon. The form fields are: Name (Mary Smith), Email Address (lovecominghome001@gmail.com), and two password fields (both masked with dots). A red box highlights the entire form area. Below the form is an orange "REGISTER" button, also highlighted with a red box. At the bottom, there is a link: "Already have an account? [Log in.](#)". A blue circle is behind the phone, and two red arrows point towards the phone from the left and right sides.

#6

You will now be sent a verification code to the email with which you set up your account. Find that code and enter it here.

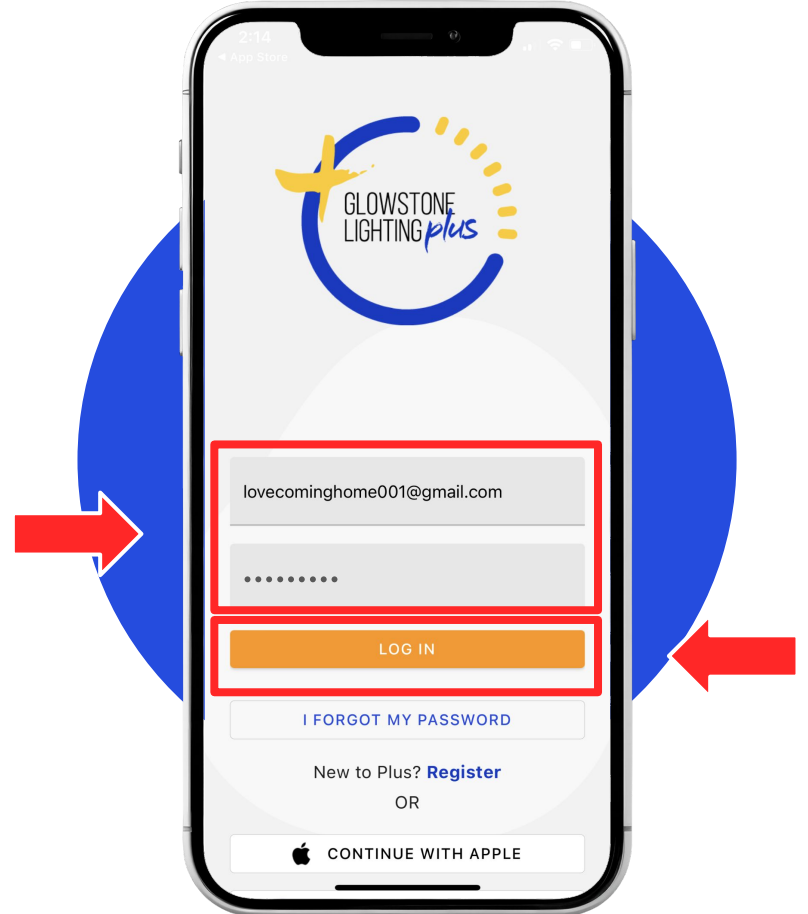

If the code is not in your email "Inbox", check the "Junk" folder to see if it ended up there.

#7

You will be returned to this page.

Log into the App by entering your email and password, then click "LOG IN".

Thank you!

We hope you Love Coming Home
to your GlowStone Lighting.
