How To

Use the Schedule

On the Glowstone Lighting Plus App

IMPORTANT

You will not be able to use the new "Glowstone Lighting Plus" app unless you have had a compatible **new controller** installed.

If you are unsure if you have the new controller or want to have one installed you can contact us by phone at 403-453-2224, or email at info@glowstonelighting.com.
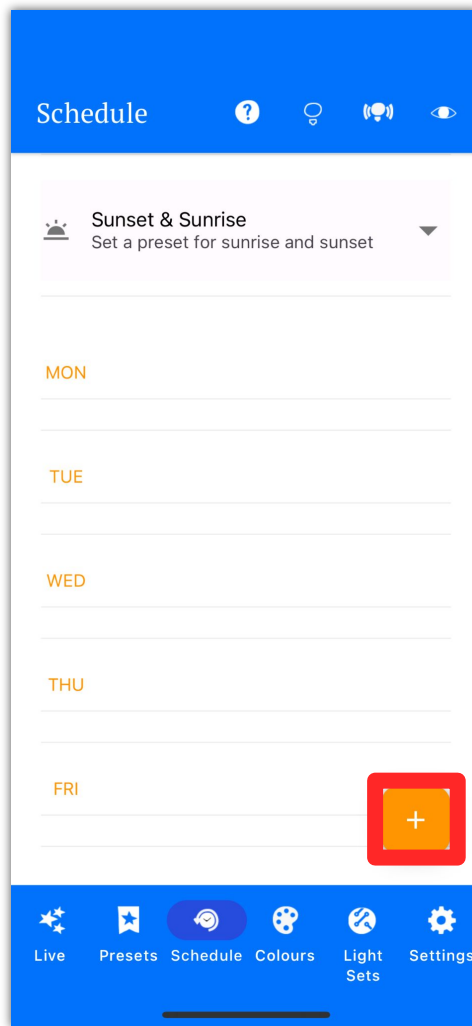

#1

The first step in changing your schedule is to go to the "Schedule" page by clicking here.
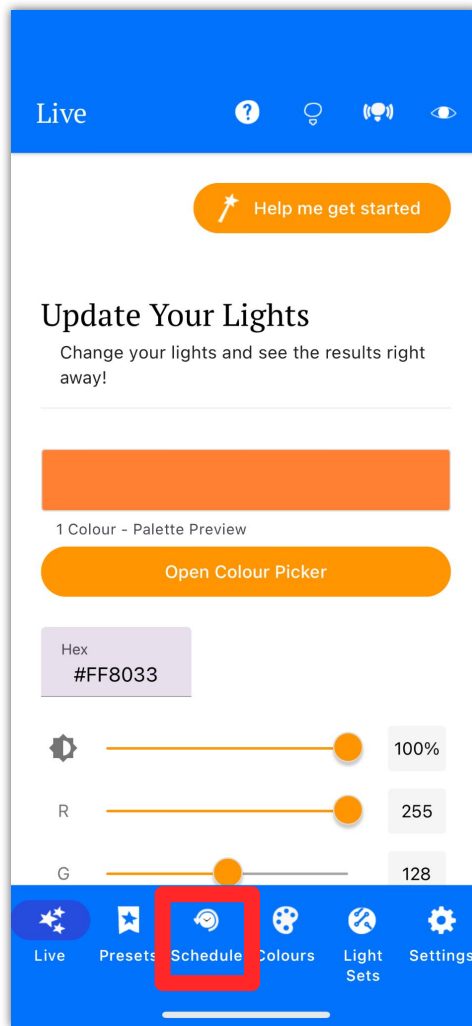

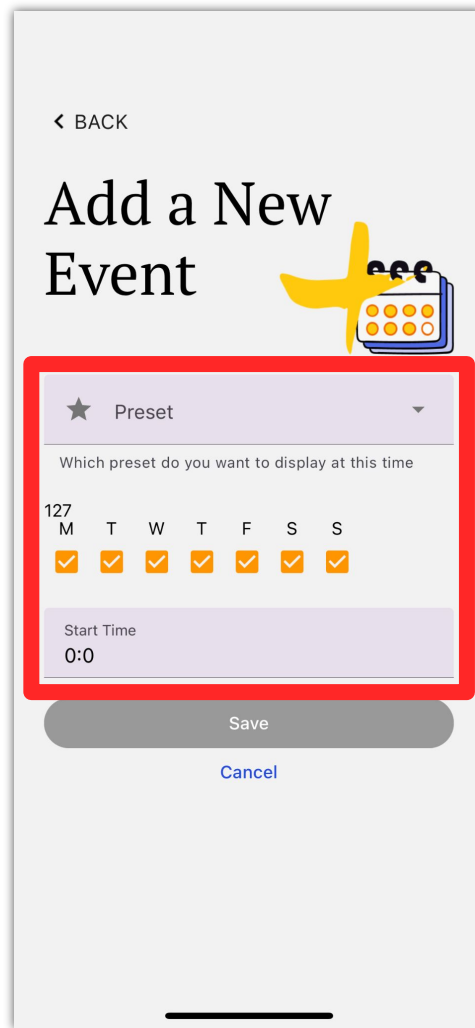

#2

To add an event to your schedule click on the "+".

#3

When creating an event there are 3 things to change.

1. The Preset the event will run.
2. The days of the week you want the event active for.
3. The time the event will start.

Then click "I understand" and let your controller reboot.

#6

Now in your schedule you can see the event you created. This will only turn the lights on though.

Hit the "+" again to add an "Off" time.
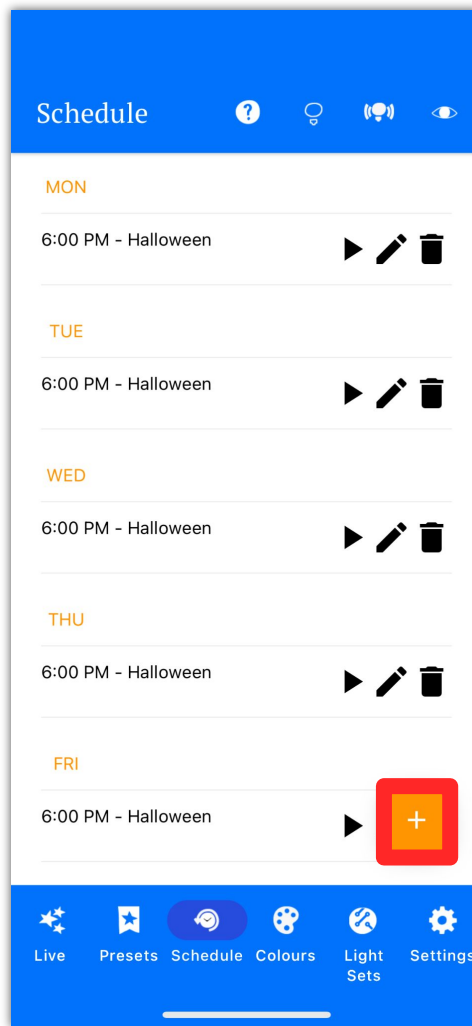

#7

Select the "Off" preset, The time you want the lights to turn off and click "Save".
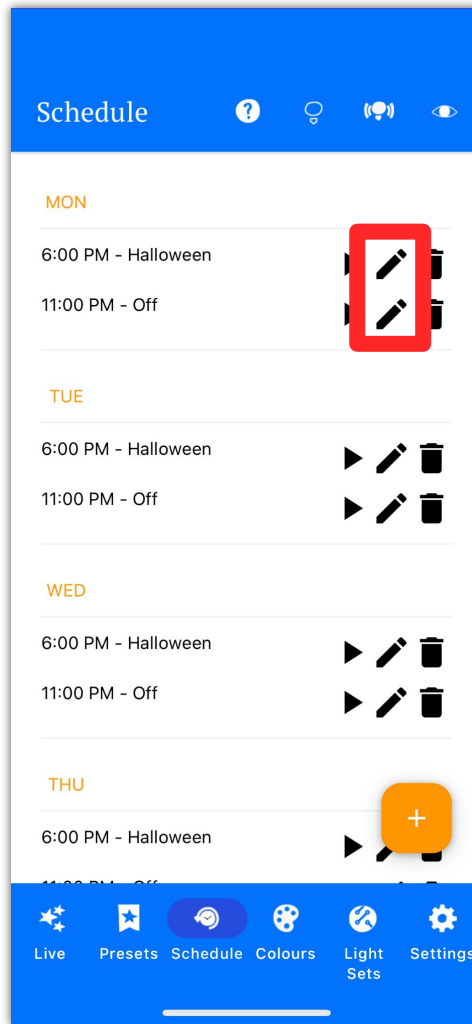

#8

Click "I understand" and let your controller reboot.

#9

You now have finished setting up an event. You can edit events by clicking the pencil next to it.
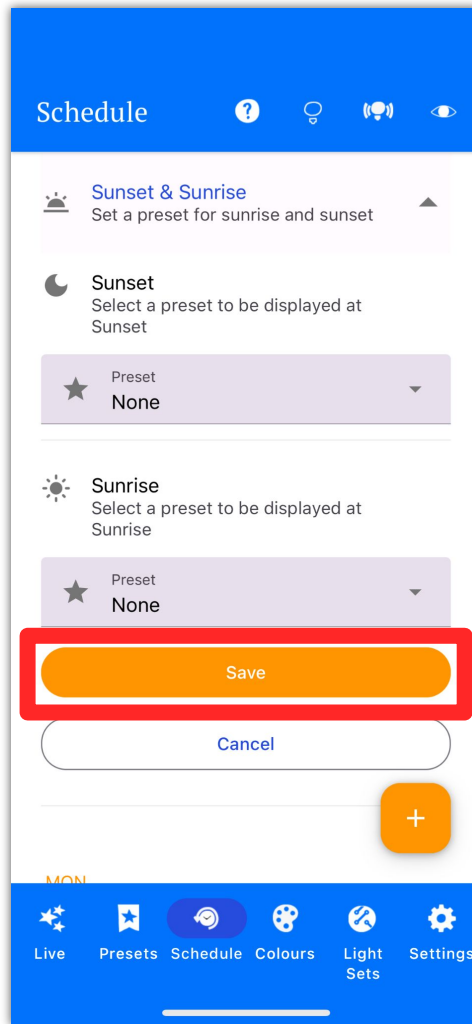

#10

You also have the option to use sunset or sunrise as the time to turn the lights on or off. To do this click here.
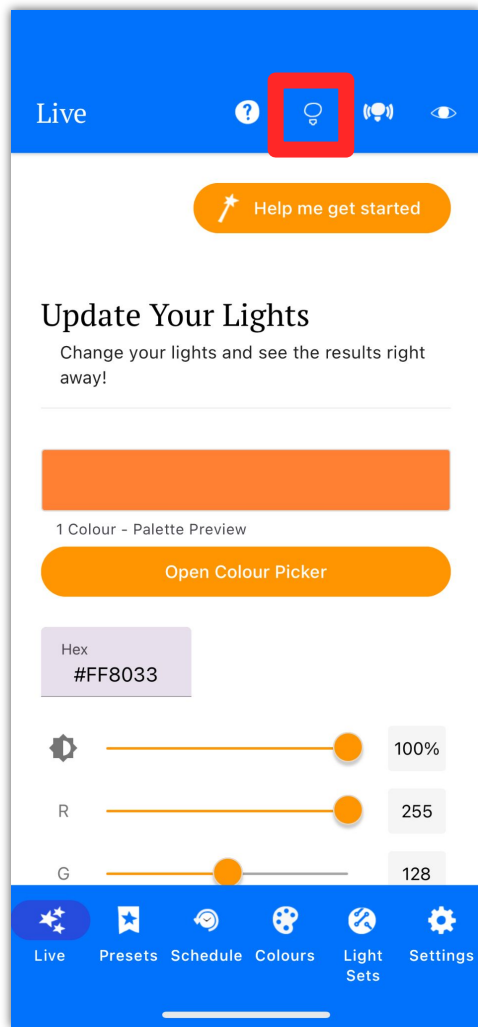

#11

From here select a preset to play at sunset, sunrise, (or both).

Then click "Save" when you finish.

#12

If you have set your schedule and your lights are on, click this lightbulb to turn them off until your schedule starts.

Thank you!

We hope you Love Coming Home to your GlowStone Lighting.
