

Exclusive **BNI** Member Opportunity

GlowStone Lighting is looking for the right partners who want to add **Permanent Outdoor Lighting** to their business without committing to the upfront investment of a full dealership (from \$5,000 to \$20,000).

This is NOT:

- A discount option
- A weaker option
- A separate program

We'd rather help the right company start with \$0 upfront than convince the wrong company to spend \$20,000!

To learn more about the exclusive **BNI A-La-Carte opportunity** and start generating new revenue, contact us:
